Hello All,

Are there any updates to the web list of approved homeowner bait station products? So far I have Tier 4 bait station (61282-19) that needs to be added.

Here is a link to the webpage

Morning Dan,

The attached link was sent to me by one of our sales people (current as of April 8, 2011), but I don't see our Tier 4 bait station (61282-19) listed. Who do I need to contact to update the webpage?

Thanks in advance for your help!

Best,

Jenny
